We are all children of God...servants, farm workers, peasants, the poor, diseased, suffering...you are all co-heirs to the Kingdom. In you is an immortal soul that was made in God's image...you are more precious in God's eyes than all the riches on earth. Know that dignity! *St. Eugene de Mazenod*

Prayers of the Faithful

For Pope Francis, Fr. Brian MacDougall - Diocesan Administrator, Fr. Raj, all priests, religious and lay people who work to make the Holy Spirit's promptings more real in their congregation. *We pray to the Lord.*

For all politicians to realize that even if they speak different languages that they all work toward dignity and respect for all people, not just a chosen few. *We pray to the Lord.*

For us to realize that our actions are understood in all languages. May our actions only speak the language of helpfulness and love for all we meet. *We pray to the Lord.*

For our 8 young parishioners who received the Holy Eucharist for the first of hopefully many, many times. May they continue, with the support from their parents, to properly prepare and receive the Eucharist throughout their life. *We pray to the Lord.*

In thanksgiving for our religion teachers who have assisted with the faith formation of our children, the future of our parish. May they have a relaxed, blessed and fun time free from planning lessons and preparing to answer questions. *We pray to the Lord.*

For all who are, in any way, helping in the fight against Covid. May we always do what is asked of us to support their efforts. *We pray to the Lord.*

For all who are unwell. We include Jake Doucette, Mike Gauthier, Ann Kirk, Leah Michaud. May they face their challenges with faith, hope, and courage knowing we are praying for them. *We pray to the Lord*

For all who have died. May they be welcomed into God's loving embrace. *We pray to the Lord.*

The Friends of St. Andrew's Chapel has produced a video on Bishop MacEachern which is available on You Tube under "Bishop Angus Bernard MacEachern PEI." This 33-minute-long video concerns his life as a missionary priest on the Island and as the first bishop of the Diocese of Charlottetown. It narrates the difficulties he encountered and the steps took to overcome them. At the beginning there was not only the need for the creation of parishes, but the need for the education of clergy to see to the needs of the Island. Later this developed to the sending of clergy to other missions off the Island. Higher education for the laity was also initiated to create community leaders. It is hoped that this video is found to be entertaining, instructive, and inspiring.
