The Friends of St. Andrew's Chapel has produced a video on Bishop MacEachern which is available on YouTube under "Bishop Angus Bernard MacEachern PEI." This 33-minute-long video concerns his life as a missionary priest on the Island and as the first bishop of the Diocese of Charlottetown. It narrates the difficulties he encountered and the steps took to overcome them. At the beginning there was not only the need for the creation of parishes, but the need for the education of clergy to see to the needs of the Island. Later this developed to the sending of clergy to other missions off the Island. Higher education for the laity was also initiated to create community leaders. It is hoped that this video is found to be entertaining, instructive, and inspiring.

"Baptise them in the name of the Father and of the Son and of the Holy Spirit."

The Word This Week

When the Church celebrates the Feast of the Most Holy Trinity, it is an attempt to sum-marise the whole mystery of our God into one day. This is not just a "theological feast" but a feast which should speak to us of this simple fact of faith: the Father loves us, has revealed that love in his Son, and has called into a relationship sustained by the Spirit. It is our joy that, as baptised members of the Church, we can somehow share in that divine life and love which is the Trinity - becoming children of God. God has chosen us, and we are his own people, just as he chose the people of Israel long ago. The mystery of the Trinity is not meant to make this more difficult - on the contrary it is to clarify and summarise all that our faith is about: that we are children - with the Son, in the power of the Spirit - of the one Father.
